SUBJECT: Star Stone Quarries, Inc. - Cotton Thomas Mine - M/003/024
State Identification Number: UT001107-010

Dear Mr. Kunzler:

The Resource Development Coordinating Committee (RDCC), representing the State of Utah, has reviewed this proposal. The Trust Lands Administration comments:

Regarding T14N, R17W, SLB&M, Section 20, SE4NW4, 40.00 acres. Coal and other minerals were reserved to the state of Utah in the above described 40 acre parcel of land sold under Patent No. 17414, dated Feb. 11, 1952.

Star Stone Quarries has no mineral lease, permit or authorization from the Trust Lands Administration to mine, quarry or remove any stone or other minerals.

The Trust Lands Administration protests inclusion of said 40 acres within the proposed DOGM permit.

The Committee appreciates the opportunity to review this proposal. Please direct any other written questions regarding this correspondence to the Utah State Clearinghouse at the above address or call Carolyn Wright at (801) 538-1535 or John Harja at (801) 538-1559.

Sincerely,

Natalie Gochnour
State Planning Coordinator
